ANNUAL Training Plan

2024-2025

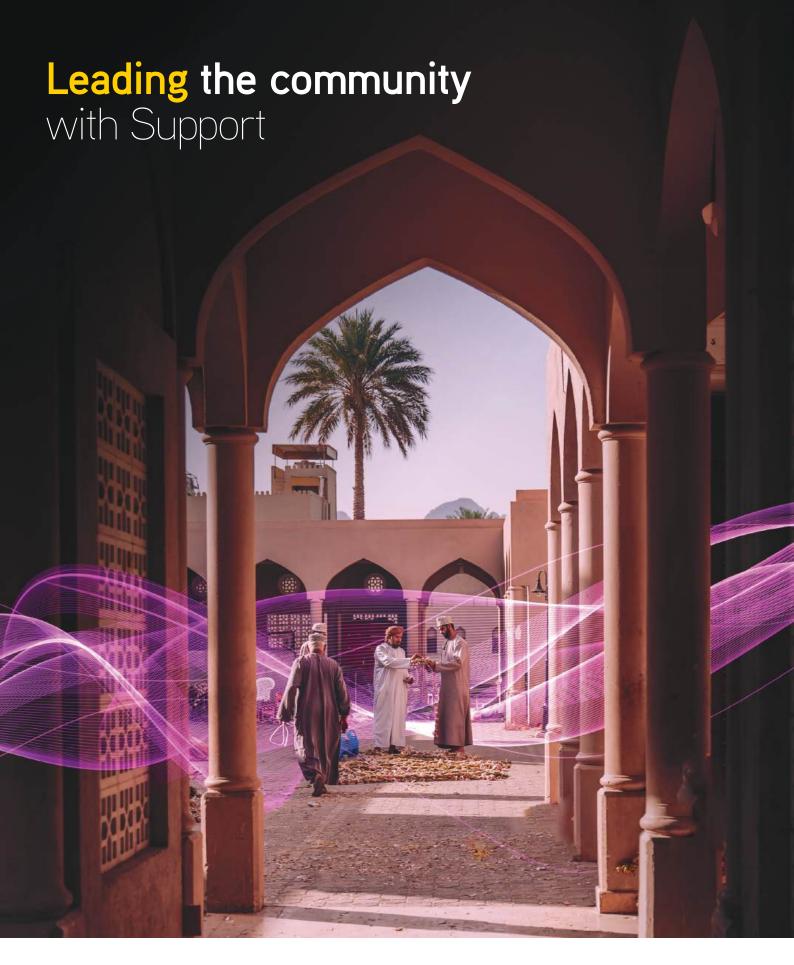

At Bank Nizwa, we consider the community as one of our priorities. We are keen to contribute in a pioneering manner to its development and well-being, in line with Oman Vision 2040. Our banking services fulfill the needs of the local community and our corporate social responsibility initiatives are clear evidence of our endeavours in this regard.

WELCOME TO CBFS ANNUAL TRAINING PLAN 2024-2025

The College of Banking and Financial Studies (CBFS) is a government institution established by a Royal Decree in 1983. It is under the juristic supervision of the Central Bank of Oman (CBO) and is supported by all banks operating in the Sultanate.

The College has been helping the financial services industry to meet its human capital development needs through training courses, academic and professional programs that are adapted to the emerging needs of Oman. It has been an active partner in the success story of Omanisation in the banking sector.

The College presently has over 1500 students pursuing various academic and professional courses in the Departments of Undergraduate Studies, Postgraduate Studies, Continuing Education and Centre for Preparatory Studies.

Another focal area of the College is corporate training. The Annual Training Plan of the College for 2024-25 envisages conducting about 74 courses for the banking and financial sector, in Muscat as well as in Regional Centres, covering a wide variety of topics in functional and managerial (soft) skills. These courses are designed and delivered by internal faculty and guest speakers with vast operational and training experience across various regions/markets. The training is delivered in physical and virtual modes.

CBFS has sponsored the local chapters of the following five reputed professional bodies to promote professional development and local capacity building in their respective areas through periodical seminars and workshops.

- Information Systems Audit and Control Association (ISACA), USA
- Institute of Chartered Accountants of India (ICAI), India
- Institute of Internal Auditors (IIA), USA
- Association of Certified Fraud Examiners (ACFE), USA
- Chartered Financial Analyst Institute (CFA), USA

The College is the first government higher education institution in Oman to be awarded the "Institutional Accreditation Certificate" by the Oman Academic Accreditation Authority (OAAA).

The current building in Baushar was opened in 2005. Considering the near four-fold increase in the student strength since then and the envisaged doubling of this strength, a state-of-the-art annexe building with 4 storeys was constructed in 2019.

From the words of His Majesty the Sultan

Nation building and development are a public responsibility that requires the commitment of all, without exempting any one from their role, in their respective specialties, and within their capabilities.

Address by His Majesty Sultan Haitham bin Tariq

Sultan Qaboos bin Said

FROM THE CHAIRMAN'S DESK

The academic year 2023-2024 witnessed a spate of activities by the College.

Under the collaboration with the London Institute of Banking and Finance (LIBF), UK, which has a rich heritage of over 140 years, various training courses on latest topics of current relevance such as Green Finance, Private Banking, Risk Management and Sustainability were offered. The College plans to leverage on this strategic alliance to offer more new training courses in greenfield areas of banking. The collaboration with the International Compliance Institute (ICA), UK was also launched through value-adding offerings in the GRC areas

(Governance, Risk and Compliance).

An MOU was signed with Bahrain Institute of Banking and Finance (BIBF) for cross-border collaboration in all areas of conventional and Islamic banking. This collaboration is expected to open the doors for a spate of new training course offerings.

The ninth batch of open enrollment Certified Bank Branch Manager was successfully completed with 24 participants from 5 financial institutions. The fourth batch of open enrollment Certificate in Risk Management program was also completed. In acknowledgement of the increasing role and significance of women leadership at the senior level, a Seminar on Women Leaders in Banking and Finance was organized to coincide with the International Women's Day, with sessions by 7 senior feminine leaders in banks and financial institutions.

I am happy to present the Annual Training Plan for 2024-25, which incorporates a wide range of courses identified from a Training Needs Analysis (TNA) survey of the banks. These training courses will be conducted by qualified and experienced faculty of the College, with the specialised support of guest speakers, comprising of subject experts in specialized areas/topics from banks and other sectors.

I would like to extend my sincere appreciation to all the stakeholders of the College, especially the banking and financial sector in Oman, for their relentless support and encouragement. I would also like to express my immense gratitude to the leadership at the Central Bank of Oman for their ceaseless guidance and support. Above all, I would like to acknowledge the visionary leadership of His Majesty Sultan Haitham Bin Tarik Al Said, Sultan of Oman.

DR. KHALFAN MOHAMED AL BARWANI

Chairman of CBFS Board of Directors

DEAN'S FOREWORD

I am delighted to present the Annual Training Plan of the College of Banking and Financial Studies (CBFS) for the academic year 2024-2025.

The training plan consists of about 74 training courses classified into 12 major heads of functional and managerial skills. This includes training courses offered in the evenings and targeted to the Regional Centres. The courses will be offered under two channels i.e. face-to-face and virtual — to balance the personal touch of face-to-face with the neutralization of time and distance constraints made possible by virtual learning.

The training offerings are based on the responses of banks to the annual Training Needs Analysis (TNA) survey conducted in Q1 of 2024 (followed by a workshop of the training managers of banks to validate the findings of the survey), the Oman Vision 2040 and latest trends in industry. The number of bilingual speakers is increased to cater to the needs of a wider audience. The College had called for applications for guest speakers from industry professionals in Q1 of 2024 and some applicants are also included in the list of guest speakers based on best-fit to the topics. The College continues to leverage on its association with the professional Chapters under its sponsorship i.e. ISACA (Information Systems Audit & Control Association), ICAI (Institute of Chartered Accountants of India), IIA (Institute of Internal Auditors), ACFE (Association of Certified Fraud Examiners) and CFA (Chartered Financial Analyst) through joint training offerings in their respective areas of expertise.

During the last academic year 2023-2024, the College welcomed about 3500 participants mainly from banking and other financial sectors for about 200 training courses. A consistent focus on the quality of training delivery through blended methodology and on-line tools has resulted in a participant feedback score of 4 and above (on a scale of 5) for over 95% of the courses, indicative of a high level of satisfaction of the participants.

I would like to thank our partners in the banking and financial sectors for their ongoing support and patronage to all our endeavours and to our College staff for their relentless efforts that enabled the smooth and successful completion of the last Training Plan.

While the College continues to be the flagship training provider for the banking and financial sector in Oman, it has also extended its offerings to the non-financial sectors. We remain committed to continuously evolve with the changing times to support the ever dynamic strategic priorities of our stakeholders in 2024-2025 through curated training offerings combining global best practices with local feel and relevance.

MUHAMMAD KASHIF YAQOOB DEPUTY CHIEF EXECUTIVE OFFICER TAAGEER FINANCE CO.

We are happy to write that during the last few years, several of our employees were trained and developed at CBFS. The trainers were professional, and the methodology adopted was as per the international standards. We appreciate the role played by CBFS in developing Omani talent and the financial sector of Oman. We wish the organization a great success in this year and the years to come.

MUTHEER AL KALBANI HEAD OF TALENT MANAGEMENT & DEVELOPMENT OMAN ARAB BANK

I would like to express my sincere gratitude for the exceptional short training courses and professional certifications offered by CBFS. These programs have proven to be invaluable to our bank, equipping our employees with the knowledge and skills necessary to thrive in the everevolving financial industry. The diverse range of courses available caters to various aspects of banking and finance, ensuring that our team receives comprehensive training that is both relevant and practical. The instructors are highly knowledgeable and experienced, providing guidance and support throughout the learning process. As a result of these courses, our employees have demonstrated proficiency in their roles, leading to performance, customer service, and an efficient operation overall. The certifications earned have not only boosted their confidence but have also increased their credibility within the industry. I have no doubt that the continued partnership with CBFS and the investment in these development opportunities will yield long-term benefits for our bank. We wholeheartedly recommend these courses to any organization looking to invest in the growth and success of their employees and business.

WHAT OUR PARTICIPANTS SAY

ANEES ABDULLAH AL RAISI HEAD OF OPERATIONAL RISK MANAGEMENT BANK DHOFAR

When I wanted to develop my Risk Management skills, I knew there would be no better program than the Certificate in Risk Management of CBFS. The facilitators were clear and interesting and the course included highly practical tips and CBO rules related to risk management in the specific context of the Omani banking sector. The material was up-to-date and highly relevant to my role. I appreciated the high level of interactivity and personal attention with a good focus on each participant. I also gained invaluable exposure from interactions with the other participants. After attending the course, I have started to apply the skills that I learnt, which will be a great contributor to the outcomes of the projects that I work on. Thank you, CBFS Training Centre!

ABDUL AZIZ RASHID KHAMIS AL WAHIBI ACCOUNT OFFICER NATIONAL BANK OF OMAN

My experience in attending training courses at CBFS was well worth it, and much of my learning is implemented in my current job. In particular, one of my courses, Debt Collection Skills, helped me identify and bridge my skill gaps, which in turn improved my performance. The trainer, Ms. Afra Al Zadjali, provided many practical tips and real-life examples to engage the participants. It was also very easy for all participants to understand her language and pace of presentation. She provided us with insights into our own dormant abilities and how to leverage on them for professional success. It will be an honor for me to attend additional courses at CBFS in the future.

HAFSA ALI AL ABRI ASSISTANT BRANCH MANAGER OMAN ARAB BANK

It gives me great pride to share my experience in attending the 8th batch of the CBBM program at CBFS. The program was designed to foster a commitment to excellence through different topics, exercises, activities, discussions, assignments, and assessments to develop myself, to enhance knowledge and skills and reorient attitude. It has given me a constructive and solid platform for a better future. Additionally, this program helped to shape my skills in management and leadership which I will definitely utilize in my organization. I would like to say special thanks to CBFS and all our outstanding trainers for this great learning opportunity. Special thanks to Dr. Rajesh Nayak and his team for their kindness and support throughout the learning journey. CBBM has truly opened up new vistas of hopes and dreams and spurred me to strive to achieve even more in future.

WHAT OUR PARTICIPANTS SAY

JUHAINA MASOUD AL HARTHI SENIOR RELATIONSHIP MANAGER BANK MUSCAT

Attending training courses at CBFS has greatly contributed to my professional growth and success in the banking industry in Oman. The comprehensive knowledge and skills I gained from these training sessions have equipped me to make valuable contributions to various organizations. Specifically, the courses related to the certificate in corporate credit analysis, and advanced certificate in corporate credit analysis played a crucial role in enriching my career trajectory. Dr. Rajesh Nayak exemplified excellence as a trainer, showcasing expertise and proficiency. His teaching methods were highly effective in conveying complex concepts in a concise and straightforward manner. He fostered an environment of respect and admiration, encouraging participants to contribute their existing knowledge and experiences to enhance the learning experience. It was truly a privilege to be guided by Dr. Rajesh Nayak. I recommend my colleagues and friends to seize any training opportunities offered by this esteemed institution, as they will provide valuable exposure and pave the way for career advancement.

MAHMOOD SAID AL ZADJALI ASSOCIATE BANK EXAMINER CENTRAL BANK OF OMAN

Attending the training courses offered by the CBFS has been an absolute turning point for my career in the banking industry. These courses, focusing on banking from a regulatory perspective, have equipped me with invaluable knowledge and skills that have significantly enhanced my professional growth. Not only have they provided me with a deep understanding of the intricate workings of the banking sector, but they have also helped me navigate the complex regulatory landscape with confidence and ease. The practical insights gained from these courses have proven instrumental in my day-to-day responsibilities, enabling me to make well-informed decisions and contribute effectively.

MAYASAH AL HAMDANI SR.RM - PRIVATE BANKING & WEALTH MGT. AHLI BANK

I recently attended a private banking training course at CBFS, and I must say it was quite worthwhile. It certainly provided insight and practical knowledge in a pleasant and approachable manner. I feel more comfortable in my understanding of private banking. Waiting to be nominated by my bank for more advanced courses in investment.

MOHAMMED ABDULLAH AL AJMI BRANCH MANAGER SOHAR INTERNATIONAL

Attending a training course at CBFS is a fantastic experience. Particularly, the CBBM program helped me to develop my knowledge and skills as well as foster incredible friendships along the way. I believe that the resources provided and the excellent standards of training have prepared us for higher positions in future and kept us up to date with the changes in the real world. The program truly paves the way for participants to excel in a retail banking career. The trainers are very kind and are passionate about their job. They want the best for their participants and are always willing to help and guide the participants. I also enjoyed the campus and the environment which is conducive to learning.

WHAT OUR PARTICIPANTS SAY

SAHAR SAID AL FORI BUSINESS LEAD - MUSCAT NORTH PREMIER BANKING DEPARTMENT BANK DHOFAR

The Certified Bank Branch Manager (CBBM) was an amazing training program whose results we harvest in our working environment. Not only the sessions were very informative but the training material that was provided was also very interesting. What we enjoyed the most was the infographics, the practical side of theories which made the whole process of learning most exciting and fun. I want to thank CBFS and the team of the Training Centre which was involved in the organization of this program, for making this training so productive as we in the Banking sector need such training that helps us perform our daily work more easier and professional.

SUMAIYA JUMA AL ORAIMI CREDIT RISK MANAGER BANK DHOFAR

By enrolling for a customised training course offered by CBFS for an Advanced Certification in Corporate Credit, I have gained significant analytical skills, in-depth financial knowledge and expanded my business and risk management experience. This course definitely added value and the necessary qualifications to my professional career path in the commercial banking sector. Overall, I enjoyed my interactive learning experience throughout the course. I am immensely appreciative of the very friendly, expert and supportive instructors from CBFS.

TEEBA MOHAMMED AL OWAISI OPERATIONAL RISK SPECIALIST DEVELOPMENT BANK

I am delighted to recall my experience of attending the Certified Bank Branch Manager (CBBM) program at CBFS. Taking the program was instrumental in preparing me for my current position. I gained valuable insights and skills that have significantly contributed to my professional growth. The program includes most of the information and skills required in banking generally and branch banking particularly, which is very helpful to the participants to grow both professionally and personally in addition to enhancing their agility to adapt to dynamic work changes. The trainers have extensive experience in banking and were incredibly engaging with the participants. I highly recommend CBBM to anyone seeking to enhance their knowledge in banking management and leadership to propel their career forward. It is truly a memorable learning and growth experience.

COLLEGE ADVISORY COMMITTEE (CAC)

The College Advisory Committee (CAC) is a key element of the industry and community engagement strategy of the College. Ruwad Al Arabi

For Leadership Development

Under the patronage of HE Dr Ali Qassim Al Lawati, President of the Royal Academy of Management, Oman Arab Bank proudly launched Ruwad Al Arabi Leadership Development Program.

This innovative program, launched in collaboration with Harvard Business Publishing, and the first cohort of the program equipped 49 future leaders from OAB and 10 strategic partners with the skills to drive innovation and growth.

The six-month program focused on empowering participants through interactive exercises and discussions, preparing them to tackle industry challenges and contribute to OAB's success.

This initiative aligns with Oman Vision 2040 by fostering leadership talent within the country, while leveraging Harvard Business Publishing's expertise for a world-class learning experience.
